

BAGGIO – MADE IN MY BEDROOM

**BAGGIO ANNOUNCES HIS DEBUT EP
MADE IN MY BEDROOM AVAILABLE APRIL 11 ON POROMO RECORDS**

March 29, 2019 (Los Angeles, CA) – Baggio is thrilled to announce his debut EP *Made In My Bedroom*, out April 11, on Poromo Records.

'It's a new era, the world is ready for something new.'

Made In My Bedroom is a fresh and a warm record that makes people of all ages dance and smile! Baggio's music is very welcoming, up-tempo, commercial and radio friendly.

Made In My Bedroom is a modern sounding project inspired by the 80's and the 90's. Baggio stands for Love, Good Vibrations and Equality. You can hear that in his music. Although some songs have quite an interesting subject, It doesn't lose the 'Baggio vibe'.

As Baggio's states: **"You can call it a pop/rock record if you want, but I call it a Baggio record."** Baggio laughs and continues: 'Because, like, literally every song on *Made In My Bedroom* was written, composed, recorded, mixed and produced by me. Seriously, all me. Except for the lyrics for *Tell Me What You Wanna Do With Me* though. Roger Penkethman helped me out with that song. Fun fact: *Again* was originally written for **Bonnie Tyler!**" *Made In My Bedroom* was mastered by **Sean Rogers (Luke Bryan, Lady Antebellum, Eric Church, Eric Paslay)**. Baggio was coached by **Mitch Malloy (Taylor Swift, Van Halen, Great White)** for a while. Baggio also wrote for **Paul Turner (Rami Malek, 20th Century Fox 'Bohemian Rhapsody')** and for **Nora Dalal (Rihanna, Jennifer Lopez, Jay Z)**.
